Lesson Types

New Dynamic English features several types of lessons, each of which keeps learners engaged with the language in different ways, promoting long-term learning. Data from around the world has shown that these types of lessons have been particularly effective for most learners.

Presentation units cover a wide range of concepts and themes, introducing carefully sequenced language in meaningful contexts -- with visual support to aid comprehensibility. Comprehension checks and voice recording features help students practice effectively.

"Click and drag" activities illustrate logical relationships and provide the learner with meaningful practice

Key concepts and structures are presented in context, with colorful graphic support that aids memory.

Informative vocabulary development is achieved through relevant and interesting content at the optimum proficiency level.

Combined with Speech Recognition exercises, the Video Interactions review key concepts and grammar, and introduce useful situational language.
